## ***Route 44 Median Barrier Project***

<b><u>Project Purpose:</u></b>	To improve safety along State Route 44 between Victor Avenue and just east of Airport Road by extending the median barrier that currently ends at Victor Avenue. The barrier will eliminate the potential of head-on collisions, provide a wider paved median shoulder and further enhance safety by providing an area for emergency parking.
<b><u>Project Description:</u></b>	Installation of a three mile concrete median barrier from the Victor Avenue over crossing to the end of the four lane freeway just east of the Airport Road Interchange in the City of Redding.
<b><u>Project Cost:</u></b>	\$5 Million
<b><u>Project Timeline:</u></b>	Construction during the summer/fall 2006
<b><u>Current Status:</u></b>	The Project was awarded to Tullis Inc. out of Redding
<b><u>Funding Sources:</u></b>	SHOPP/Dept. of Transportation State Highway Account
<b><u>Project Manager:</u></b>	Derek Willis
